*** REQUIRED QUALIFICATIONS ***

Applicants must address all the Knowledge, Skills and Abilities (KSAs) and explain the civilian and military work experience (with dates) that support the KSA. *Remember, only the information shown on the application can be used to evaluate qualifications for this position. Applicants must explain in detail on the application how the knowledge skills and abilities (KSAs) were acquired. General Experience: Experience, education or training which demonstrates the applicant's knowledge of basic electrical and mechanical principles; and ability to use technical manuals, equipment specifications and test calibration procedures in performing the work. **Specialized Experience:** WG-10: Must have eighteen (18) months of specialized experience which has demonstrated the following knowledge, skills, abilities and personal characteristics:

- a. Knowledge of hydraulic and pneumatic principles, the physical laws governing the behavior of fluids (liquids and gasses).
- b. Knowledge of aircraft structure and the relationship of aircraft pneudraulic systems to the structure and to other aircraft systems and ability to operate test panels and ground power equipment.
- c. Knowledge of aircraft pneudraulic systems and pneudraulic equipment used in maintaining and checking aircraft pneudraulic equipment.
- d. Knowledge of troubleshooting procedures designed to isolate malfunctions in aircraft pneudraulic systems.

Substitution of Education for Specialized Experience: A maximum of 12 months of the required experience may be substituted by successful completion of undergraduate study in an accredited college or university at the rate of 30 semester hours for 12 months of experience. Courses must be directly related to the work of the position. Copies of transcripts must accompany applications to receive credit.

POST ALL JOB OPPORTUNITIES TO THE UNIT BULLETIN BOARD

Evaluation Method: All applicants will be initially screened against the general qualifications as indicated above and further evaluated on the basis of relevant experience, training and knowledge, skills and abilities listed in the specialized experience.

Brief Description of Duties and Responsibilities: This position serves as a Pneudraulic System Mechanic within a fuel systems shop responsible for inspection, repair and maintenance of aircraft fuel cells, water injection, entidetontanant (ADI) and inflight refueling systems. Utilizing extensive knowledge of fuel systems maintenance practices and procedures, incumbent troubleshoots the systems and determines extent and type of preventive and/or repair maintenance required and performs all necessary repairs, installation and operational checks. Utilizing electrical wiring diagrams, blueprints, schematics and technical publications, determines extent and type of preventative and/or repair maintenance required. Connects power sources, and using cockpit controls, gauges and additional precision instruments, performs operational and functional checks of inflight refueling, single point refueling and fuel transfer systems and related valves.

***** HOW TO APPLY *****

Submit a summary of your employment history using an OF 612 or Resume, and include the following information:

(Incomplete applications will not be accepted)

- Announcement number and title of the position for which you are applying.
 - Your full name, mailing address, appropriate phone numbers, Social Security Number, date of birth and country of citizenship.
 - Your military grade, unit of assignment, and AFSC. List your National Guard (weekend duties) separately from your other job experiences. List your position, military grade, supervisor, phone numbers, dates you have held each job and a detail duty description.
 - A detailed narrative of your work experiences (paid or unpaid), training, education, and/or other information that relates to the vacancy. Use complete dates to indicate each amount of experience you have. Include pertinent military experiences and describe duties in detail, include DD Form(s) 214 (if applicable). You may use continuation pages to include all related experiences. Ensure that both military and civilian experiences are fully described, to include time frames. Highest Federal Civilian grade held (include job series and date held). If you use acronyms explain them.
 - **WRITE A SUMMARY OF EACH KSA, (Knowledge, Skills and Ability), INCLUDING DATES FOR EACH KSA, TO EXPLAIN HOW YOU QUALIFY.** List all of pertinent military schools and training completed. Applicants should submit DMA Form 20 and/or 21 to document military schools and address KSAs. Failure to demonstrate these experience requirements may result in disqualification. AFSC, Position Description, Job Title, grade and series WILL NOT qualify an applicant.
 - For Job Opportunities advertised at more than one qualifying grade level, you must indicate which grade level(s) you are applying for. Your application will only be evaluated against the grade level(s) that you list on your application.
 - High school and college education (major courses of study, dates of diploma, GED, or any degrees received to include name, city and state of educational institution attended and number of credits earned). **To insure credit for education** you must include a copy of your transcript(s).
 - Applicants should include a DMA Form 181 or Standard Form 181.
 - Applications must have an original signature and date. Resumes must have a signed and dated cover sheet.
- * Note: Separate applications are required if applying for more than one Job Opportunity Announcement.

Send applications to **Joint Force Headquarters Wisconsin, ATTN: WIJS-J1-SVC-ST, 2400 Wright St, Madison, WI 53704-2572**. Applications must be mailed at the applicant's own expense and become property of the Human Resources Office/J1 and will not be returned or photo copied. When circumstances cause your application to arrive after the closing date you may fax or e-mail ngwidhrfedstaffing@ng.army.mil an exact and complete, signed copy of your application. **Faxes and e-mails must be received in the HR no later than 4:00 p.m. on the closing date. If you fax or e-mail your application, the original must be postmarked by the closing date, and received not later than seven calendar days following that closing date. Late applications will not be accepted.** Direct any questions to the Recruitment and Placement Specialist at (608) 242-3722 or DSN 724-3722; fax (608) 242-3726.
